

## WATER AND WINE

**Do you enjoy outdoor activities, and are you in love with the magnificent Lake Geneva? So, share the playground of an astonishing and earthy character who, will accompany you and motivate you for surprising nautical activities.**

Ready to follow us on or under the waters of lake? Stand-up paddle, kayaking, sailing, diving or even fishing in season, experience timeless moments during these adventures that are as exclusive as unforgettable. Early birds are also welcome with early morning departures!

But let's leave the water, and discover the local wines with a tasting in the winery estate whose name your room bears and depending on the weather, let yourself be tempted by a picnic.

Your hotel, located in the heart of a small town on the shores of Lake Geneva, will charm you with its warm welcome and elegant rooms. As for its delicious cuisine... You will definitely forget your good resolutions! Cooked with selected local products, your meal will be served in the restaurant with a view over the 13th-century castle overlooking Lake Geneva.

A walk on the quays to the marina at sunset, with the majestic *Mont-Blanc* in the background and the *Ile de la Harpe* in the foreground, will offer you a moment of pure relaxation. Close by, discover the work of the American sculptor Jedd Novatt, known for his dynamic and non-representative compositions of geometric shapes. Return to the main street where the charming stalls and other grocery stores, antique dealers, and art shops will be another moment of pleasure.

Please, book your activity simultaneously as your stay or at least 48 hours in advance.

An extended stay can be organized upon request.
